

POPPIES RIDGE

Hocking

LOCATION PLAN & AMENITIES

POPPIES RIDGE is an exciting boutique estate located near the highest point in Hocking. Lots are elevated and many have breathtaking views of Perth City.

It's named after a project that was run by the City of Wanneroo titled "5,000 Poppies", where fabric poppies were made in remembrance of those who served in World War One. Poppies from around Australia were displayed in Federation Square, Melbourne on Anzac Day 2015 for the centenary commemorations. Poppies Ridge pays homage to our fallen soldiers.

Poppies Ridge is close to the established Wyatt Grove Primary School and St Elizabeth's Catholic School, Wyatt Grove Shopping Centre and amenities. There is easy access to local parks and the Yellagonga National Park. Close, in fact, to virtually everything you and your family need. Quick links to Ocean Reef Road and the Freeway means easy access to Perth CBD being only 25km away.

With a diverse range of home sites available, you will find what you are looking for with lots ranging in size between 314m² and 481m². Poppies Ridge is surrounded by established and newly built homes.
